Sir:

A terminal disclaimer was filed during the prosecution of application No. 10/766,895. However, such "notice" of the patent being subject to a terminal disclaimer is not listed on the front page of the patent. Therefore, attached in duplicate is Form PTO-1050, with at least one copy being suitable for printing, that indicates the above-noted patent is subject to a terminal disclaimer. The error was the fault of the Patent and Trademark Office. Accordingly, no fee is attached.

Respectfully submitted,
